d. Add the final line of the rhyme:
      “Let’s get the rhythm of the free form dance (dance/move freely)”
e. Repeat the entire rhyme until students are comfortable with it.

2. Musical questions to ask the students
   a. What does the word BEAT mean in music?
b. What does the word TEMPO mean?

ELEMENTS OF MUSIC 5 mins

1. Beat, Rhythm, and Tempo
   a. Repeat “Czechoslovakia” from the start of the lesson and ask the students to march in place
      along with the rhyme.
b. Tell students what they were doing was marching to the BEAT of the rhyme

2. BEAT = the steady pulse of music
   a. Ask students to repeat “Czechoslovakia” while marching in place to the BEAT once again
   b. Invite students to perform the rhyme again but this time ask them to clap each syllable of the
      words of the rhyme
   c. Tell students what they were doing was clapping the RHYTHM of the rhyme

3. RHYTHM = the pattern of short and long sounds and silences that fit within a steady beat. It is how we
      multiply or divide the beat to create interesting patterns.
   a. Invite students to perform the rhyme again but let students know that once they reach the end,
      you will return to the beginning and repeat the entire rhyme at a faster speed
   b. Repeat at least 3 times, getting faster each time until it is no longer possible for the students to
      stay together
c. Share the vocabulary term and definition for TEMPO – the speed of the beat (The speed of the music: fast, medium, slow)

**MUSICAL EXPLORATION**

1. Reminder / Discussion of respectful listening
2. Beat, Tempo, and Brazilian Music
   a. Music Examples:
      i. “A Flor e o Samba” (steady TEMPO)
      ii. “Afoxé Oyá Alaxé” (changing TEMPO)
   b. Ask students to respond to the BEAT of the music (“A Flor e o Samba”) through movement. Play approx. 1-2 minutes of the song to give enough time for students to explore their movement.
   c. Students should:
      i. march in place, tap feet on the floor, clap hands, etc.
   d. Next, ask students to respond to the BEAT of the next song (“Afoxé Oyá Alaxé”) through movement. Play the entire 2.5 minutes of the song to give enough time for students to explore their movement and to hear the two tempo changes.
   e. Students should:
      i. march in place, tap feet on the floor, clap hands, etc.
   f. Ask the students to share what they notice about the differences between the TEMPO of these two songs.
      i. Were the songs the same TEMPO?
      ii. What was different about the TEMPO of these two songs?

**REFLECTION**

Students choose:

1. Written or oral response to prompt (pair-share, utilize online response tools, i.e. google forms or online discussion board, etc.)
   a. What is the BEAT of the music?
   b. What is RHYTHM?
   c. What is TEMPO?
2. Ask students which of the songs from the lesson they prefer (“Czechoslovakia,” “A Flor e o Samba” or “Afoxé Oyá Alaxé”) and why. Responses should include reference to the elements of music (BEAT, RHYTHM, and TEMPO)
