

**ARTS
LEARNING**

Promising Practices from the Field

HOW DO WE
AMPLIFY TEACHING
AND LEARNING THROUGH
THE ARTS?

Educators in Alameda County are using the arts in ways that help students express the context of their lives, learn content in deeply engaging ways, and build the creativity needed to address the inequities in our communities and world. Join us for inspired presentations by educators in Alameda County, as they share the critical ways the arts have an impact on the lives of their students.
