CABOT YERXA

ARTS LESSON PLANS

RCOE Visual and Performing Arts (VAPA) and Cabot's Pueblo Museum have joined forces to create four new arts lesson plans based on the museum's art collection and the life and work of Cabot Yerxa. These lessons are suitable for elementary and middle school students and utilize inexpensive art materials that can be found at your local big box or dollar store. We hope you'll consider doing these lessons either before or immediately following a visit to the Museum to allow students to learn with and through the arts.
